--San Francisco Award Program Honors Business Achievement--

SAN FRANCISCO, California – October 13, 2019 – Le Bread Xpress today announced that it has been selected as the winner for the 2019 San Francisco Award in the Bakery category by the San Francisco Award Program.

Each year, the San Francisco Award Program identifies companies that have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community. These exceptional companies help make the San Francisco area a great place to live, work and play. Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 San Francisco Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the San Francisco Award Program and data provided by third parties.
